DAYTON, Ohio, April 22, 1969 --- Thomas J. Santner, who will graduate from the University of Dayton on April 27 with a 3.84 accumulative academic average, has accepted a National Science Foundation Fellowship and will attend Purdue University in the fall. Mr. Santner, who has a major in mathematics with a perfect 4.0 average, is the son of Mr. and Mrs. Joseph F. Santner, 2124 Glenside Avenue, Norwood, Ohio. Santner's minor is computer science.

The magna cum laude graduate, who is a graduate of Cincinnati's Purcell High School, was one of the top seven among 591 candidates in the national competition for the fellowship. It is for one year but is renewable.

Santner, who has taught in problem sessions for the Mathematics Department at UD, has been Director of Pi Mu Epsilon, the mathematics honor fraternity. He also has been on the University honor roll since he entered the University in 1965.
